#### I.2 Additional Instructions

Some bidders and members of the Auction Manager team are expected to be working from home during the qualification period and on the day of the Auction. The Auction Manager will issue additional instructions to bidders regarding the secondary bidding method with the Notification of Qualification. The Auction Manager will accept electronic signatures on the Representation Form, but the Auction Manager may in that case confirm the identity of the signatory by phone.

### **I.3 Ranges of SRECs Available**

PSE&G, JCP&L, ACE, and RECO will be the sellers in the Auction. There will be a single vintage available in this March 2026 Auction, namely 2026 SRECs. The EDCs estimate that there will be between 28,000 and 37,000 2026 SRECs available at the Auction. The 2026 SRECs were created in GATS as generation between June 1, 2025 and February 28, 2026.

The Auction Manager will provide to bidders the exact number of 2026 SRECs that will be available at the Auction with their Notification of Qualification.

### **I.4 Application Website Platform**

Each bidder must provide the information required in Section II.1 of the Auction Manual exclusively by using the online qualification form accessible through the SREC Auction website. Beginning with the October 2022 SREC Auction, the online qualification form was made available via a new platform: <https://njsrec-application.com/>. **For a bidder that activated their account to access the online qualification form and provided information in the online qualification form beginning with the October 2022 SREC Auction, the online qualification form will be pre-populated with the last information provided to the Auction Manager.** The Auction Manager will send a reminder of a bidder's login information to those bidders that activated their accounts to access the online qualification form and provided information in the online qualification form beginning with the October 2022 SREC Auction.

A bidder that previously qualified in a prior SREC Auction but did not activate their account to access the online qualification form and provide information in the online qualification form beginning with the October 2022 SREC Auction will not have their online qualification form pre-populated for the March 2026 SREC Auction.

### **I.5 Bid Assurance Collateral**

No bid assurance collateral is required for the March 2026 SREC Auction. Each bidder will be able to bid on all blocks available in the first round of the Auction.
